# Remote Learners
Guide to Successful Learning

- Create a comfortable workspace that is free from distractions.

- Make sure your device is fully charged.

- Log in to your device prior to the start of class to make sure you are connected to the internet and ensure your device is working properly.

- If you are unable to connect to class, call the building office for further information/assistance.

- Visit our website for additional supports and resources - www.eaton.k12.oh.us
