

myWorld History Early Ages

eText

OBJECTIVE:

Our textbook, myWorld History: Early Ages, comes with an online textbook that students may access outside of the classroom setting. We were unable to order textbooks on a 1:1 ratio for our students. A classroom set was purchased, but those books must remain in the classroom and may not be taken home. It is my hope that students will use this technology to work outside the classroom in order to complete assignments or prepare for exams. If a computer is unavailable to you, a limited supply of textbooks may be checked out for overnight use.
